# How to Make your e-Poster

**Please read the instructions below thoroughly before making your presentation.**

1. The slide size of your presentation file (\*ppt, \*pptx) should be **16:9 (Widescreen)**.
2. Recording function with video in MS PowerPoint only available **in 2019 and higher versions**.
3. The video presentation should **include your voice** (don't need to include your face).
4. We highly recommend you use a **separate mic system (such as earphone with mic)** other than the built-in mic in order to minimize the noises.
5. Export the presentation as a video.
6. Submit the e-Poster presentation file via e-mail by **October 20 (Fri), 2023**.
