

Day 1. 2023. 11. 03 (FRI)

Time in	Time out	Room A	Room B	Room C	Room D	STUDIO 4,5
09:15	10:30	ENG Novel Treatment Options for Hypertension	Central Blood Pressure ; Old but New	Basic Science Working Group : Biosignal Analysis of Single Cell to in Vivo in Basic Hypertension Research	Management of Resistant Hypertension	Poster Presentation & E-Poster Exhibition
10:50	11:10	Opening Ceremony				
11:20	11:50	ENG Young Investigator Award	Clinical Research Award	Industrial Symposium I [Servier Korea]	보건소 전문인력 교육 세션	
12:00	12:30			ENG Industrial Symposium II [Viatrix Korea]		
12:40	13:10	Luncheon Symposium I [Boryung]	Luncheon Symposium II [Celltrion Pharm & Dong A-St]	Luncheon Symposium III [Hanmi Pharm]	Luncheon Symposium IV [Organon Korea]	
13:35	14:50	ENG Epidemiology Working Group : Global Epidemiology of Hypertension	Stroke Working Group : Brain Health and Hypertension	Women, Pregnancy and Hypertension	Hypertensive Crisis Cases-tips and Pitfalls	
15:00	16:15	ENG Hypertension and Neurological Comorbidities	Pediatric Hypertension Working Group : Update on the Treatment of Pediatric Hypertension	ENG KSH-ISH Joint Symposium	ENG Two Birds with One Stone : Weight Loss and Blood Pressure Reduction	
16:25	17:40	ENG Hypertension and Cerebrovascular Diseases	Pitfall and Troubleshooting in the Patient with Comorbidities	Metabolic Risks in Hypertension	Exercise Prescription for Hypertensive Patients with Obesity	

Day 2. 2023. 11. 04 (SAT)

Time in	Time out	Room A	Room B	Room C	Room D	STUDIO 4,5
08:00	08:25	Industrial Breakfast Symposium I [GC Biopharma]	Industrial Breakfast Symposium II [Menarini Korea]	Industrial Breakfast Symposium III [HANLIM PHARMACEUTICAL]	Industrial Breakfast Symposium IV [SAMJIN PHARM]	Poster Presentation & E-Poster Exhibition
08:25	08:50	Industrial Breakfast Symposium IV [JW Pharma]	Industrial Breakfast Symposium V [Novartis Korea]	Industrial Breakfast Symposium VI [Daewon Pharm]	Industrial Breakfast Symposium VII [Chong Kun Dang]	
09:00	10:15	ENG Hypertension Management in the Elderly	Impact of Hypertension on Cognitive Function : Prevalence, Pathophysiology, and Clinical Implication	Unmet Needs in Nocturnal Blood Pressure Researches and Applications	Large and Small Vessels in Hypertension	
10:25	11:40	ENG Out-of Office Blood Pressure Measurements	Resistant Hypertension Working Group : Resistant Hypertension	Blood Pressure Monitoring Working Group : Blood Pressure Monitoring in Hospital Setting	Management of Diastolic Hypertension : Case Presentations	
12:00	12:40	ENG Plenary Lecture				
12:40	13:10	Luncheon Symposium V [YUHAN]	Luncheon Symposium VI [DAEWOONG & Daiichi-Sankyo Korea]			
13:20	13:50	ENG Special Lecture				
14:10	15:25	ENG KSH-ESH Joint Symposium	KSH-KAFM Joint Symposium : Shared Decision Making in Hypertension Management	How to Utilize Open-AI Programs for My Scientific Paper?	Hypertension Education and Training Session I : Basic Evaluation and Prescription of HTN Patient and Management of Adverse Reaction	
15:35	16:50	ENG Controversies in Recent Clinical Trials	Working Group on Hypertension Complication : Clinical Application of Hypertension Mediated Organ Damage	New Devices for BP Measurement for Hypertension Clinic	Hypertension Education and Training Session II : Trouble Shooting in HTN Patient Management	
17:00	17:20	Closing Ceremony
